“ To the family of Chris Fraizer.

From The Robinson, Hill & Burton family in Kansas City, Kansas.

There's no words that can express how sorry we are to hear about the loss of Chris. He was a very helpful, loving & respectful young man. We first met Chris when he came to Kansas City, Kansas and welcomed him with open arms. We stuck together as if he was real family. He got a job working with a few family members and had a outstanding work ethic. Very devoted young man too.

The main question we all asked him was.. "Where are you from? (because he had an accent)" he replied "South Carolina" right then we already knew where he get his drive & hospitality from. One day he helped my mother move furniture and all the other men wanted to take a rest here and there. NOT CHRIS! He was determined to keep going until everything was done. In which kept the other guys going although they were "tired".

He spent the holiday's with our family last year in 2016. We enjoyed having him around and will cherish the memories that we had. Sorry we couldn't make it. Chris will be deeply missed. Our family and friends will continue to lift you all up in prayers for the strength to stand strong and to comfort your hearts.

We love you Chris!!!
