“ Just found out about cod, he was a good friend of mine when he lived in Washington state, I lost in contact with him after my phone broke when he moved away, he was an amazing friend and we had some amazing moments together, finding out about this breaks my heart, one of the funniest and most caring folks I ever met, rest in piece cod ❤️

“ *Dear Mrs. Bass and family,
This is Mrs. Schultz his second grade teacher. Our Codrick always had a piece of my heart. I absolutely loved him and always will. It breaks my heart that someone with so much personality and talent was taken from us so early. My thoughts are with you. Sending much respect and love,
Mrs. Jennifer Schultz*
