“ *The short time I have know you Edward, you were always pleasant to be around . Very respectful to us and always had good manners. You made my granddaughter very happy. Y'all seemed to get along great. Sure we all have up and down but we all do. You always smiled and made us laugh. Our family really enjoyed meeting you and thankful they got to meet you. You were truly be missed and I know Daija will truly have an empty spot in her heart with you being gone from your earthly home. But the memories will live inside forever.RIP Edward. May God comfort the family and the friends daily. May the family and friends lend on God and allow Him to give them strength as they go forward with the emphy feeling of there loss. I'm praying for you all.*
