“ *Please accept my deepest condolences for your family’s loss. I am so saddened to hear of Jacob’s passing. I was honored to know him through the army, as we both served in the same unit during Desert Storm. He was a hard charging no nonsense Staff Sergeant who would stop at nothing to accomplish his assigned mission. He left a great legacy for all of us who served with him through his long military career. I will forever cherish the memories of him and the memories we shared together. Again, we extend our deepest sympathies to the family during this period of mourning.*
