“ Jerrod will always be dear to my heart! We talked almost every day, we sang Zion's songs together often, we had scripture and Bible study even on the phone. We shared words of wisdom and encouragement each time we came in contact. In 2022 -2024 while I was hospitalized for months on end. He came to visit me physically and by phone, encouraging me not to give up. Once I was able to get on my feet, he would drive 35 miles one way to visit and assist me when he could. We shared many good memories and also bad ones. But nevertheless, we strived on. I came in contact with him as his teacher and advisor when he was about 14 years of age and this bond was never broken. A part of me has become void and as a result I feel a heartfelt loss. Not a day goes by that I don't think about him. Many times I want to call him on the phone and see how he's doing. But I can't no more, so I get on my knees and send a message to the heavens! From these clouds I see him with his hands outstretched saying “come on up a little higher and I will make you a ruler of many things!” Jerrod was a person with a big heart, for many. He lived his life without a doubt and blemish. I can't put him in heaven nor can anyone else! He lived the life , he talked the talk, and he walked the walk! So I know he has a seat in the kingdom! It's time now for us to reflect on where our seats will be! May my brother, friend, and confidant rest in peace!

With all sincerity,
