“ I may not have said it but I was so super proud of you and held you in high esteems, big sis. I hope you know that you meant the world to me, from the days we rode the school bus together, throughout the years, all the way up until now. You were one of a kind and we, your family, friends, and loved ones, were very lucky to have had you. I know there is a place for you in God's kingdom; with no more worries, and no more pain. Rest peacefully, my dear sister. Love always and forever, your brother, Gregory.
