“ Family & Friends may you find peace and comfort in the memories of Keith. When we his cousins from NJ as kids and young adults spent time in NJ and in NY we always had lots of fun. Keith was a jokester.

When you begin to venture out on your own as an adult raising a family you become busy being that adult, which required time being with your immediate family which didn't allow spending time together as we did as kids/young adults. We recently made contact and planned to get together, but he was called to rest. Rest on cousin.
