“ Mrs. Hubbard and family...As I was recently hospitalized in Columbia for a while, I am just now learning upon my return home of the passing of Chief Hubbard. This truly saddens my heart as he has always remained a very special part of my life from my tenure with the Sheriff's Office. It was my honor to serve as his secretary..and ultimately become his friend. My Chief had the tenacity needed for the most difficult of situations...and the compassion needed for many others. He loved being a lawman and truly treated all people equally..but, no time for BS...I thank God I was able to work for and learn from him..and have the added extra of sharing his wonderful family..and he mine.. Please know I do share in your grief and pray for your family..with love.. Karen Thomas  
..(.....I was Karen Wolfe when I worked for him...  
But, ultimately called "Cadillac " by the fellas)

“ Chief Hubbard was a very nice man. He showed compassion and fairness in all that he did and I know he will be missed. He crossed my mind on several occasions throughout the years. May God wrap His arms around you as you grieve for your beloved. Rest in peace Chief Hubbard.

“ *To: Mrs. Hubbard & Family, My heart grew heavy as I received word that Chief Hubbard passed. Chief and I go waaay back. Chief hired me at the Orangeburg County Sheriff Office in 1988. Long story short, as long as I live, I hope to always remember the times we shared together. Chief also was a close friend to my uncle the late Marion O. Johnson which made me more closer to him. He was well respected at the Sheriff's Office and to the Orangeburg community. His legacy lives on from his employment and business ownership. Thou he is absent from the body, his spirit is present with the LORD. May you fine hope, peace, joy and love in knowing that God has The Late Chief Nathaniel Hubbard resting in his care. God will strengthen you all during and after this bereavement period. Be strong and know that Chief will always be in your memories and God promised to never leave or forsake you ... keep the faith to see Chief again in the sweet by and by.*
