“ *I met Mrs. Ellison when my daughter was in Pre-K six years ago. She was a very sweet caring person. My daughter was a very quiet little girl and I inform Mrs. Ellison she was an excellent teacher to my daughter. My daughter have fond memories of Mrs. Ellison and she would talk about her every day. Everyday I would pick her up from school this year she would always say I spoke to Mrs. Ellison. I'm glad she left a great memory for my daughter. When my daughter found out she passed away she cried and said mommy I just seen her on Friday at the Pre-K graduation and she was so happy. I told her God calls the most precious people home to be with him. I told her it may hurt us but she's in a better place now. Her sweet spirt will forever be with us. She will always be remembered and not forgotten. I'm sending my sincere condolences and prayers to her family. May God give you all the comfort in your hearts.*

Mrs. Ellison was simply the best. She set the standards for what a teacher should be. She had a genuine heart that was reflected through her interactions with her students. Irreplaceable she is. I pray for her family, coworkers, friends.
