“ I was shocked and saddened today to hear of her passing. She was my dear friend for many years. Even though I lost contact with her she remained close to my heart. I will miss her deeply. 😭

“ My Dearest Steph from the first day we met at Regional Medical Center we hit it off you had recently lost your mother and I lost my father in that same year so you understood me. We had so many laughs even after you leaving me moving we still had our Saturday morning talks for a long while until loosing touch. I will cherish the time I had with you and thank God for ever knowing you!

Love Always
Theresa

“ While our words may fail to ease the pain of losing a loved one, our Heavenly Father sees your pain and lets us know that “He is close to the brokenhearted; He saves those who are crushed in spirit.” (Ps. 34:18) I hope you and your family will allow this promise to ease your pain during this difficult time.
