My nephew always had a smile on his face throughout everything he went through. He was definitely a child of God and I will forever have him as an example to me to go the hardness as a good solider. I love you always Terrian.

My dearest cousins, please know that you and my family are in my heart and prayers. Shonese, you are a very patient and diligent mother. You raised a terrific son. Please know that he is at peace, and your heart will always draw you near to whatever God's plan will be during this time and after.
