“ Momma I miss you and I can't of better way of saying thank you taking care of me at a time where I was lost. I gave you your flowers but I love you so much. I wish I had more time to you more ma. I wish you could see me now because of you. You and children changed my life around frfr. I lost some people but this scar will be a huge cannonball hole in my heart. Much love your 2nd son Juwon!

“ My heart and my best friend. I'm going to miss you. I never thought that it will be you. I'm very heartbroken and im lost for words. I will never forget the memory of what we had. 1993 was our year when you took no crap from anyone thats bother me. We was two peas in the pot. I enjoy my friendship with you tiffany. You always come to my house so our kids can play together. You went to beach with me and my family in 2009. You was there for me when my grandma pass. Rest on my beautiful friend and love you.

“ I am so sad, I met Tiffany when she was 1 year old. Her mother and I became fast friends when I relocated to Orangeburg as a new RN at the hospital. Later after I moved away Tiffany and her Mom came to visit me while I was in North Carolina. Tiffany was fascinated with my younger sisters cheerleading uniform. My sister let her put it on, taught her a cheer. Still have the picture we made. Over the years I have remained in touch with her, Angel, and Jeremiah as “Auntie”. Rest in peace my friend.
